 - b. Assist with weekly reading and/or homework assignments.
 - c. Verify your child’s name is on the appropriate eligibility list.
 - d. Attend the Sacramental Program for parents and children.

Parent/legal guardian must request “in writing” the sacrament they want their child to receive, sacraments do not occur automatically by age or grade.

VII. PARENT PARTICIPATON:

The church in its practice and its teachings sees the parents as the primary educators in the faith. It is within the Catholic family that children first begin to learn their prayers, our faith traditions, and are made aware of the teachings of the Church.

1. **First Communion** – A two-year process. In order for a child to receive the Sacrament of Reconciliation (Confession) and First Eucharist (Communion), at least one parent/guardian and the child must attend our First Communion preparation process. Please provide the child’s Baptism Certificate at the time of registration. The process consists of several sessions for the parent, some of which the child must attend. Parents not attending or missing classes/sessions can and will cause a postponement of the child’s reception of sacraments until the following semester. **\$25.00**-dollar fee is to cover expenses for mass, certificates and mailing.

2. **Orientation Meetings** - Our various Faith Formation Programs offer to families a faith filled experience for both parent(s) and students, it is imperative that parents attend the Orientation Meeting and read the Program Handbook for each respective program. Missing meetings can and will jeopardize the ability of their child to receive sacraments. **Confirmation** schedules and specific information for high school students will be distributed by our Coordinator of Youth and Young Adult Ministry.
3. **Helping when child is absent** – If your child is out due to a major illness or surgery, three sessions or more, please contact the program coordinator. Your child may complete missed classwork at home.
4. **Stewardship** – As a Franciscan community, we should incorporate good stewardship. “Stewardship” is the way that we take *care* of and *share* the things God has given us. We are asking the parent to help their child know how important it is to share their *time, talent* and *treasure* to serve God and others. We ask that the parents be living models of stewardship. Parents are asked to encourage their child to give weekly a proportionate amount of their allowance, cash gifts and/or “good works” to the parish or other charitable organizations in need.
5. **Liturgies** – regular Saturday or Sunday Mass attendance is crucial.
6. **Address, phone, legal status, custody change** - be sure to notify the Parish Office at 760-757-3250 or email Maricela@sanluisreyparish.org.

VIII. POLICIES:

1. **Early dismissal from Class** – When it may be necessary for parents to take their children out of class early. Please be aware that the Parish is responsible for your children while they are in our scheduled Religious Education classes. PARENT or LEGAL GUARDIAN is required to come in person to the Office of Catechetical Ministries on the second floor to request an early dismissal of their child from class. The appropriate form must be filled out; the child will then be excused from the classroom by the program coordinator.
2. **Classroom Behavior** – Our parish has a policy for inappropriate behavior approved by the pastor. Please see page 5 for our Protocol of Disciplinary Behavior Actions policy.
3. **Classroom Arrival** – Our policy is that all elementary grade children must be accompanied to and from the classroom. Please do not to drop them off in the parking lot and have them walk by themselves to class. Use of the inner circle driveway for dropping off or picking up your children is against policy. Children are to be picked up at the classroom by an adult.

Child Safety and Security – If you are delayed in picking up your child, the teacher/catechist will escort your child to the Religious Education Office at approximately 10 mins after class ends. The child will be supervised until your arrival. This policy is mandatory for grades preschool- 8th grade. If your child is not in their classroom, please proceed directly to the Office of Catechetical Ministry on the 2nd floor.

4. PORTABLE ELECTRONIC DEVICES:

Cell Phone, iPad, Kindle, MP3 player, any battery powered portable device, is disruptive to the classroom learning process. Operation of such devices in the classroom and adjacent hallways during class time is prohibited.

If your child needs to utilize a cell phone for an emergency, please be sure to have your child notify the teacher and/or program coordinator prior to any cell phone use in the classroom or adjacent hallways.

5. PROTOCOL FOR DISCIPLINARY ACTIONS

- I. The behavior of students in the classroom is primarily the Catechists responsibility.
- II. If the student is becoming a problem by disrupting the class the Catechist must provide the following corrective actions (*please see III*). *In all cases Christian Charity must be the guiding principle.*
- III. Protocol for disciplinary action is the following procedure:
 1. First occurrence of inappropriate behavior such as being disrespectful to the Catechist and/or peers, or use inappropriate language, the Catechist or Aide will ask the student to correct his/her behavior. **Any serious behavior, such as use of illegal drugs, alcohol, tobacco, vandalism, sexual activity or participation in graffiti, the Catechist will contact the Coordinator immediately and will result in an automatic expulsion for the duration of the year with forfeit of semester tuition.**
 2. Second occurrence of inappropriate behavior, the Catechist or an Aide escorts the student to the Religious Education office for disciplinary action by the Coordinator that will include a telephone call to the parents to schedule a meeting to discuss the situation and to assist the student in correcting this behavior. The Coordinator might request the presence of the parent to attend class with the student to assist his/her behavior change.
 3. Third occurrence of inappropriate behavior, the Catechist or Aide escorts the student to the office for disciplinary action by the Coordinator that will include a telephone call requesting the parents come to the Office to pick up the student. The student will not be permitted to return to class until there is a meeting with the Associate Pastor, Director, student and parent.

Training and Certification – It is of utmost importance that our teachers become certified by the Diocese of San Diego. This certification consists of completing the 48 hour Basic Catechist course of study. They have also been trained to respond regarding the following:

- a) Student Threats** - Any and all student threats of harm to self or others will be taken seriously. The catechist will report such threats to the Coordinator immediately. Reports and response will follow established Diocesan policy.
- b) Reporting Physical Abuse** - The sequence of reporting is from teacher to coordinator to civil authority and Child Protective Services.
- c) Sexual Abuse** - An immediate report to the Bishop or designated Diocesan office(s). The report then will follow the designated legal procedures and Child Protective Services.

Each reported incident will be investigated with a high level of confidentiality, as well as concern for alleged victims, alleged perpetrators and others affected.

Any and all adults that will be alone with a child in the classroom or on parish property as a teacher/helper or catechist must submit to a background check by the Diocese of San Diego. Forms are available from the appropriate program coordinators. Parents must request authorization from the Program Coordinator prior to participating in any classroom activities.

Dear Parents of Religious Education Students,

The Diocese of San Diego is committed to providing a safe environment for all who worship, work, or participate in education and formation opportunities in our parishes and schools. The problem of child sexual abuse is a serious one; a child suffers sexual abuse somewhere in our country every thirteen seconds.

As the primary educators of your child, you are entrusted with the responsibility of providing appropriate information regarding how to keep your child safe from sexual abuse. Empowered parents can develop and maintain an environment of trust in the home that allows children to discuss any topic, any fear, and any experience they are having. Potential abusers will avoid children who have such an open and honest relationship with their parents because abusers depend upon secrecy to avoid suspicion.

In compliance with the Charter for the Protection of Children and Young People, the topic of safe environments will be introduced to your child on **Sunday November 11, 2018 and again on Tuesday November 13, 2018** in the following manner:

Your child's teacher/catechist will emphasize in class:

- That we are all created in God's image.
- Our bodies are special and sacred.
- Because our bodies are sacred
 - No one has the right to touch our bodies in a way that makes us feel weird, uncomfortable, scared or worried.
 - No one has a right to hurt us or tell us they will hurt someone we love
 - No one has a right to ask us to keep a secret about our bodies from our parents or teachers.
- If someone has touched us in a way that makes us feel weird, uncomfortable, scared or worried, we should use the **NO-GO-TELL Rule** (included on the following page)

Your child will be told that you will continue this discussion with him/her at home. Included in this packet are materials that will help you with that conversation.
